## Reduce the Risk of Hospital Acquired Pressure Injuries (HAPIs)

- Unique, open-cell materials are breathable, moisture wicking, insulative, soft-to-the-touch, immersive, and enveloping
- Independent studies prove that the Pink Pad reduces erythema relative to other patient positioning solutions

## DermaProx™ Pads

Versatile Tools for Pressure Injury Prevention

Product #	Dimensions
40529	11" x 15" x 1"
40528	11" x 15" x 0.5"
40527	11" x 8" x 0.5"
40514	22" x 14" x 0.5"

## Surgical BackPacks™

Safer Spine & Prone Positioning

- Ideal solutions for increasing patient stability and safety in prone positioning
- Unique materials reduce the risk of HAPI formation
- Convenient kits are tailored to fit your specific OR equipment
